

## Ring Sizing Guide

### Please Note:

Before printing, make sure that page scaling is set to "None" in your print options. Make sure you are printing to standard 8 1/2 x 11 size paper (A4). Your ring sizer should be 3.5 inches.

### Option 1: Use ring sizer to measure finger

1. Print and cut out the ring sizer below. Cut small slit that is marked with an arrow.
2. Wrap the ring sizer around your ring finger with the number side visible to you.
3. Take note of the number that appears closest to the slit – that is your ring size.

### Option 2: Measure a Current Ring

1. Select a ring that properly fits the intended finger.
2. Place the ring over the circles below until the inside of your ring matches a specific circle.
3. If your ring falls between two sizes, order the larger size.
